INTRODUCTION TO NEW ZEALAND

New Zealand has a spectacular landscape, contrasting from steaming volcanoes, deep fiords and lush rainforest. An added bonus is that all this is found within a country comparable in size to the UK, but having a population of only four million people makes it one of the worlds least crowded places.

This creates a holiday destination providing a haven for those looking for peace and rejuvenation - as well as being a playground for thrill seekers and adventurers!

Experiences not to be missed

- 1. Hawkes Bay** - with an abundance of famous vineyards, no trip to New Zealand would be completely without a days' wine tasting.
- 2. Fiordland** - visit Milford or Doubtful Sound to see the breathtaking steep valleys and native wildlife.
- 3. Queenstown** - the adventure capital of New Zealand, home to a host of activities from bungee jumping to jetboating.
- 4. Kaikoura** - head out from the coastline to see the vast array of marine life, including majestic sperm whales.
- 5. Rotorua** - this geothermal wonderland boasts geysers, bubbling mud pools and steam vents.

New Zealand Splendour

15 Day Self Drive from £1,188 per adult

AVIS

There is no better way to discover New Zealand than by taking to the road. This 15 day Self Drive is perfect for first time visitors.

DAY 1: AUCKLAND TO COROMANDEL PENINSULA

Head south from Auckland towards the Coromandel Peninsula, along the coast is the township of Thames, which provides a reminder of the gold rush. From Thames it is a short trip over the beautiful Coromandel Ranges Mountains to the upmarket beach township of Pauanui.

DAY 2: COROMANDEL PENINSULA

The Coromandel Peninsula is a beautiful area, with cool forests, picturesque beaches, rugged coastlines and swimming holes. Take a bushwalk, a walk on the beach, dangle a line, or do nothing at all.

DAY 3: COROMANDEL PENINSULA TO ROTORUA

Travel South from Pauanui past many more beautiful beaches, and the township of Tauranga, one of the North Island's largest ports. Your route takes you through the Kiwifruit Country around Te Puke and on to the heart of thermal activity and cultural centre of New Zealand, Rotorua.

DAY 4: ROTORUA TO TONGARIRO NATIONAL PARK

Travel to the township of Taupo, right on the edge of Lake Taupo, the largest lake in New Zealand. There are all sorts of water-based activities available – para-sailing, sailing, water-skiing, or windsurfing, alternatively book a jetboat ride at Huka Falls, before heading Tongariro National Park.

DAY 5: TONGARIRO NATIONAL PARK TO WELLINGTON

Journey down to Wanganui, on the South Taranaki Bight on the banks of the Wanganui River. From Wanganui travel down the west coast to Wellington, the capital of New Zealand on the south-western tip of the North Island. Wellington sits on a beautiful harbour, with Mount Victoria on the outskirts.

DAY 6: WELLINGTON TO NELSON

Catch the ferry from Wellington to Picton and cruise through the beautiful Queen Charlotte Sound. Explore the area before travelling through Havelock to Nelson, a pretty city flanked by the sea, golden beaches and hills.

DAY 7: NELSON

A day at leisure to explore the Marlborough and Abel Tasman region around Nelson. Take a water taxi to explore or even a guided kayak tour.

DAY 8: NELSON TO THE GLACIER REGION

Continue further south-west over to the west coast, and drive through the rugged and densely forested Buller Gorge. The road is one of the most beautiful and impressive scenic drives in New Zealand. Travel down the coast through Punakaiki, and then on to Greymouth, and Hokitika. The Franz Josef and Fox Glaciers are located within the Westland National Park.

DAY 9: GLACIER REGION TO WANAKA

The famous Fox Glacier is a 14km long tongue of ice which descends to 250 metres above sea level and is the most accessible glacier in New Zealand. Continue south-west before turning inland along the Haast River in the region of Central Otago to the town of Wanaka.

DAY 10: WANAKA TO QUEENSTOWN

From Wanaka follow the main highway further inland to Queenstown - if you're feeling adventurous, take a Shotover Jet on the Shotover River, try white-water rafting, take a helicopter ride, or bush walking. For a more relaxing day, take a cruise on Lake Wakatipu on TSS Earnslaw.

DAY 11: QUEENSTOWN

Today is at leisure for you to explore the many activities and scenic wonders of the township of Queenstown and the surrounding areas.

DAY 12: QUEENSTOWN TO TE ANAU

From Queenstown travel south along Lake Wakatipu then west to Te Anau on the outskirts of the Fiordland National Park. Milford Sound is the best known, most easily accessible and one of the grandest of the fiords along this coastline. Take an afternoon cruise to see the fiord in all its splendour.

DAY 13: TE ANAU TO DUNEDIN

Travel east to Dunedin, founded by Scottish migrants in 1848, situated on the Otago Peninsula, which is indented with bays, providing many picnic and swimming sites. At the tip of the peninsula is Taiaroa Head, a special reserve that includes the only mainland nesting site of the magnificent Royal Albatross.

DAY 14: DUNEDIN TO CHRISTCHURCH

Travel inland via Omarama, Twizel and Lake Tekapo and Lake Pukaki, a spectacular turquoise-coloured glacial lake. Stop at the Church of the Good Shepherd at Lake Tekapo for one of New Zealand's most picturesque picnic spots. Enter the Canterbury Plains, the widest area of flat land in New Zealand and into Christchurch.

DAY 15: CHRISTCHURCH

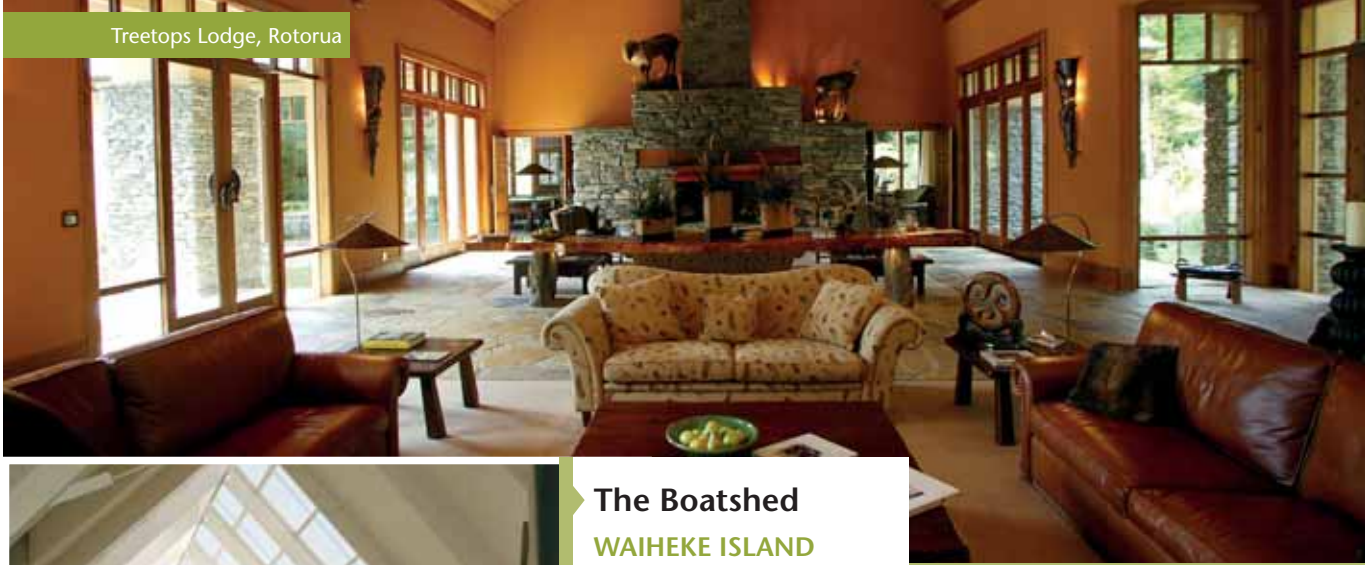

Depart Christchurch for your onward journey.
