ASTOUNDING BEAUTY - CAREFREE EXPERIENCES

Studded with special, instinctive touches that make all the difference, our journeys throughout New Zealand & Australia provide the most insightful and diverse experience possible. Exploring these remarkable countries becomes almost effortless as we transport you between majestic destinations in the most carefree manner imaginable.

MOMENTS TO TREASURE

Dipping into the ocean and swimming with colourful fish, strolling across lake shores bursting with wild flowers, watching cliffs rise skyward from the dark waters of a majestic fiord... our extraordinary experiences not only indulge your curiosity, they enhance each incredible attraction.

NOTHING QUITE COMPARES

Delicious cuisine, unforgettable sightseeing, stylish accommodation and the highest levels of personal attention - we have considered every last detail. Nothing compares to the new experiences and fresh perspectives that await when you discover New Zealand & Australia with APT.

NEW ZEALAND & AUSTRALIA

Join APT for a journey bathed in the golden glow of the southern hemisphere sun, infused with the fresh delights of Australasian cuisine and enriched with that famous laid-back spirit.

It is difficult to imagine a more whole-hearted or sensational tribute to the wild beauty of Mother Nature than these two destinations: New Zealand & Australia. Young nations with ancient backyards, every day is an adventure in the lands down under. Lofty mountainscapes combine with heavenly fiords, verdant pastures and dazzling bays to make up what we know as the Land of the Long White Cloud. Then across the sea, there is perplexing wildlife, white-sand beaches, lush rainforests and the rugged red Outback – each playing its own role in Australia's allure.

Even more impressive is that beyond these natural wonders there are cities built to inspire, Indigenous cultures entwined with contemporary life, delicious home-grown produce and, perhaps above all, friendly locals who are always ready to say kia ora or g'day.

Similar though they are, these trans-Tasman neighbours provide an intriguing contrast for travellers – as you will discover when you journey to Australasia with APT.

4WD ADVENTURES

As an isolated frontier, travelling into Australia's Kimberley region requires specialist local knowledge and expertise. No other operator can offer the experience, network of lodges or access that we do - so you can discover the real Kimberley, rather than merely brushing the surface.

APT ran its first tour into this vast and remote region more than 40 years ago. In those days, accommodation did not exist. Since then, APT has built unique partnerships with local Indigenous communities and created an unmatched network of exclusive Wilderness Lodges in stunning locations. Our commitment to quality and innovation continues as we offer expertly crafted itineraries featuring all the spectacular sights and hidden secrets that we have been discovering ever since. See pages 92-99 for further details.

ENRICHING SIGHTSEEING

All of our tours include a wealth of sightseeing inclusions as standard.

INCLUDED SIGHTSEEING

Every journey includes an extensive collection of sightseeing activities, to ensure that you enjoy a true taste of every location. The following are just a few examples of what you may experience on your unforgettable adventure.

On New Zealand's North Island, wander through the fragrant Waipoua Kauri Forest Reserve to view the largest and most celebrated kauri tree known to stand today, TĐne Mahuta or 'Lord of the Forest'. Down south, stand in awe of the ice blue waters of Lake Tekapo and contemplate the unusual spherical Moeraki Boulders scattered along Koekohe Beach.

Give in to the relaxed rhythm of life on Fraser Island during a half-day tour. As you travel along sandy trails through rainforest and eucalyptus woods, past pristine fresh-water lakes and immense sand dunes, you will realise why this Australian sand island was awarded World Heritage status.

Travellers speak about a refreshing sense of freedom when exploring the Kimberley, as the sweeping bushland and rugged gorges reveal the raw power of nature. Heading off the beaten track, chase bold wildlife through rivers, plunge into secluded gorges and wander through the hidden chasms of the Bungle Bungle Range.

YOUR LEISURE TIME, YOUR WAY

While our holidays are designed to cater to your individual needs and preferences, it is always nice to enjoy a moment to yourself. AUSTRALIA'S KIMBERLEY REGION

Take a deep breath and let your senses run wild in the Kimberley, sprawling from fiery expanses to tumbling waterfalls and emerald gorges.

When APT first began escorting travellers to the remote Kimberley more than 40 years ago, there was no permanent accommodation or network of staff - so we created them, with respect for local communities and the environment. Today, no one is better equipped to take you here, which is why more people choose APT than any other tour operator in the Kimberley.

A big part of what makes travelling to the Kimberley so much fun is the opportunity to experience an ancient culture, which is one of the oldest in the world. You will also find landscapes at their most diverse. Explore spectacular gorges, plunge into clear pools and treasure natural wonders like Cathedral Gorge and the Bungle Bungle Range within Purnululu National Park.

Bring your sense of adventure and tolerance of Outback conditions to ensure you get the most out of your journey. You will travel along rugged tracks in our custom 4WD vehicles with no more than 20 travellers, led by a passionate Driver-Guide. Along the way, you will stay at APT's exclusive wilderness lodges, offering a touch of luxury in the heart of the remote bush. There is really no other holiday like it.
