ASTOUNDING BEAUTY - CAREFREE EXPERIENCES

Studded with special, instinctive touches that make all the difference, our journeys throughout New Zealand & Australia provide the most insightful and diverse experience possible. Exploring these remarkable countries becomes almost effortless as we transport you between majestic destinations in the most carefree manner imaginable.

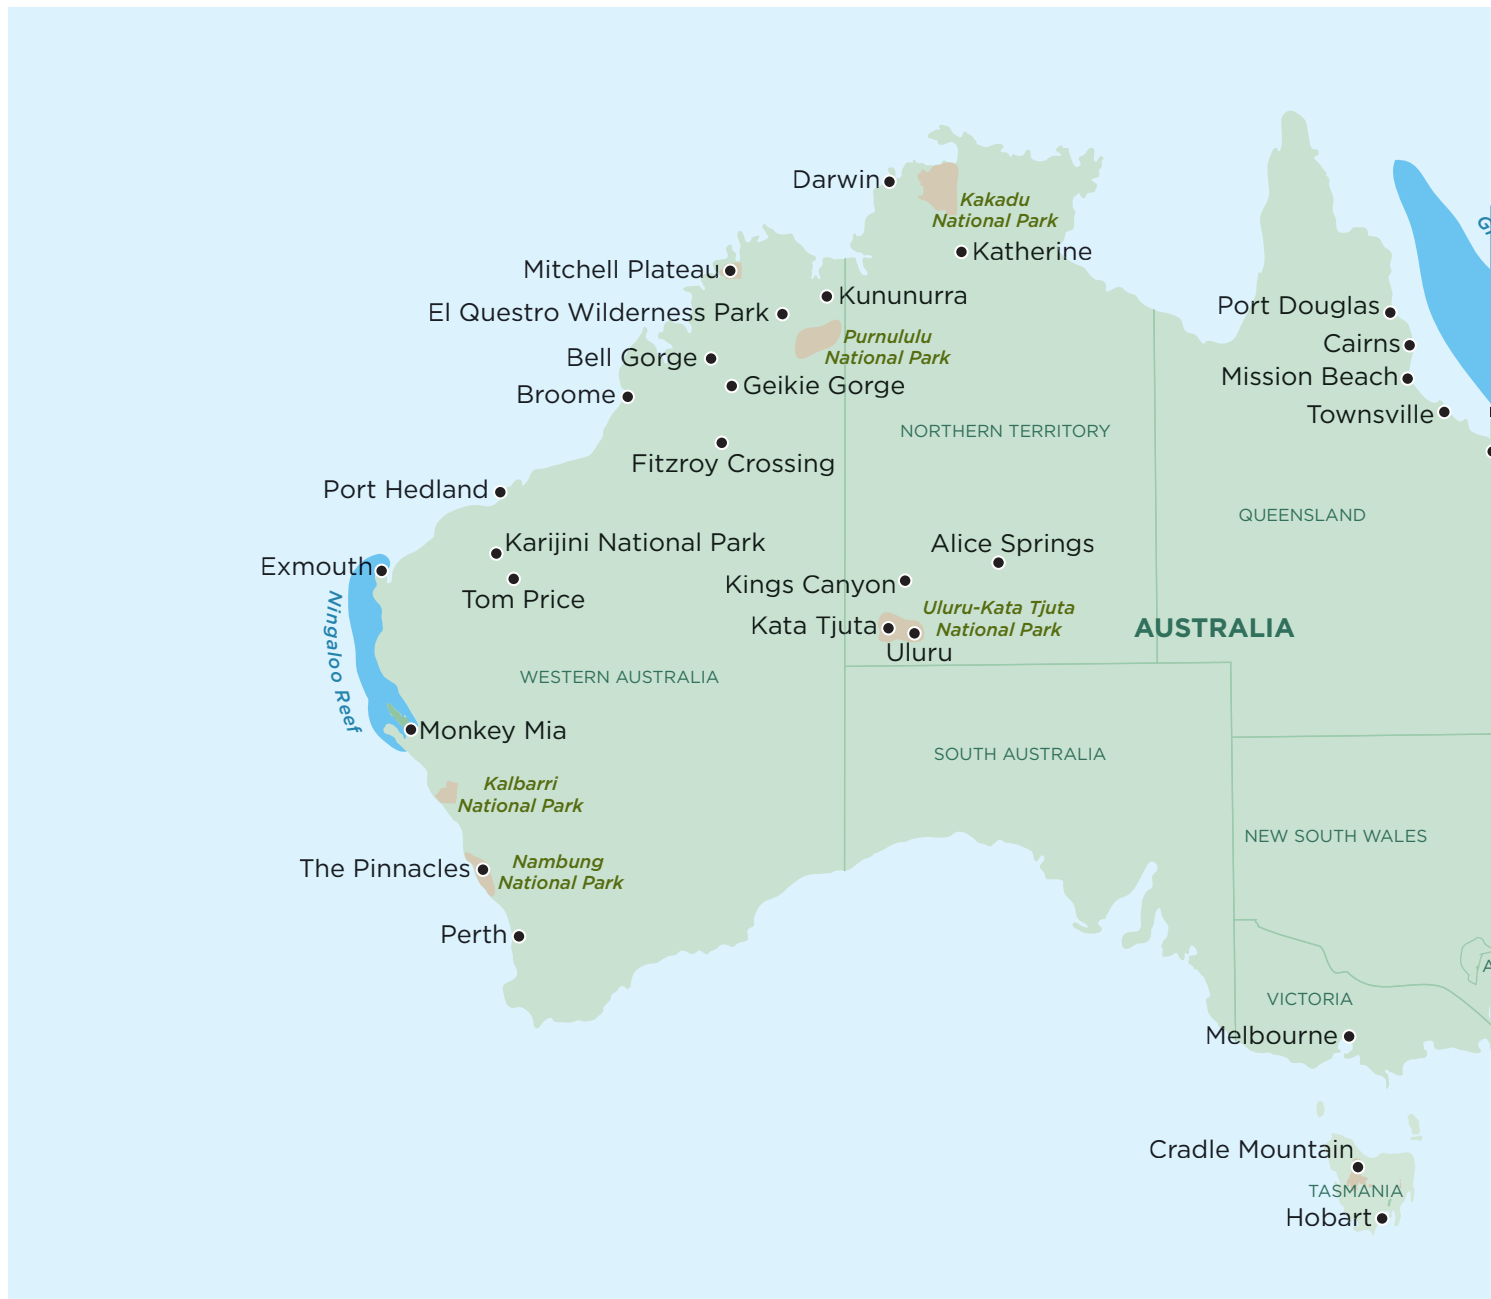

MOMENTS TO TREASURE

Dipping into the ocean and swimming with colourful fish, strolling across lake shores bursting with wild flowers, watching cliffs rise skyward from the dark waters of a majestic fiord... our extraordinary experiences not only indulge your curiosity, they enhance each incredible attraction.

NOTHING QUITE COMPARES

Delicious cuisine, unforgettable sightseeing, stylish accommodation and the highest levels of personal attention - we have considered every last detail. Nothing compares to the new experiences and fresh perspectives that await when you discover New Zealand & Australia with APT.

NEW ZEALAND & AUSTRALIA

Join APT for a journey bathed in the golden glow of the southern hemisphere sun, infused with the fresh delights of Australasian cuisine and enriched with that famous laid-back spirit.

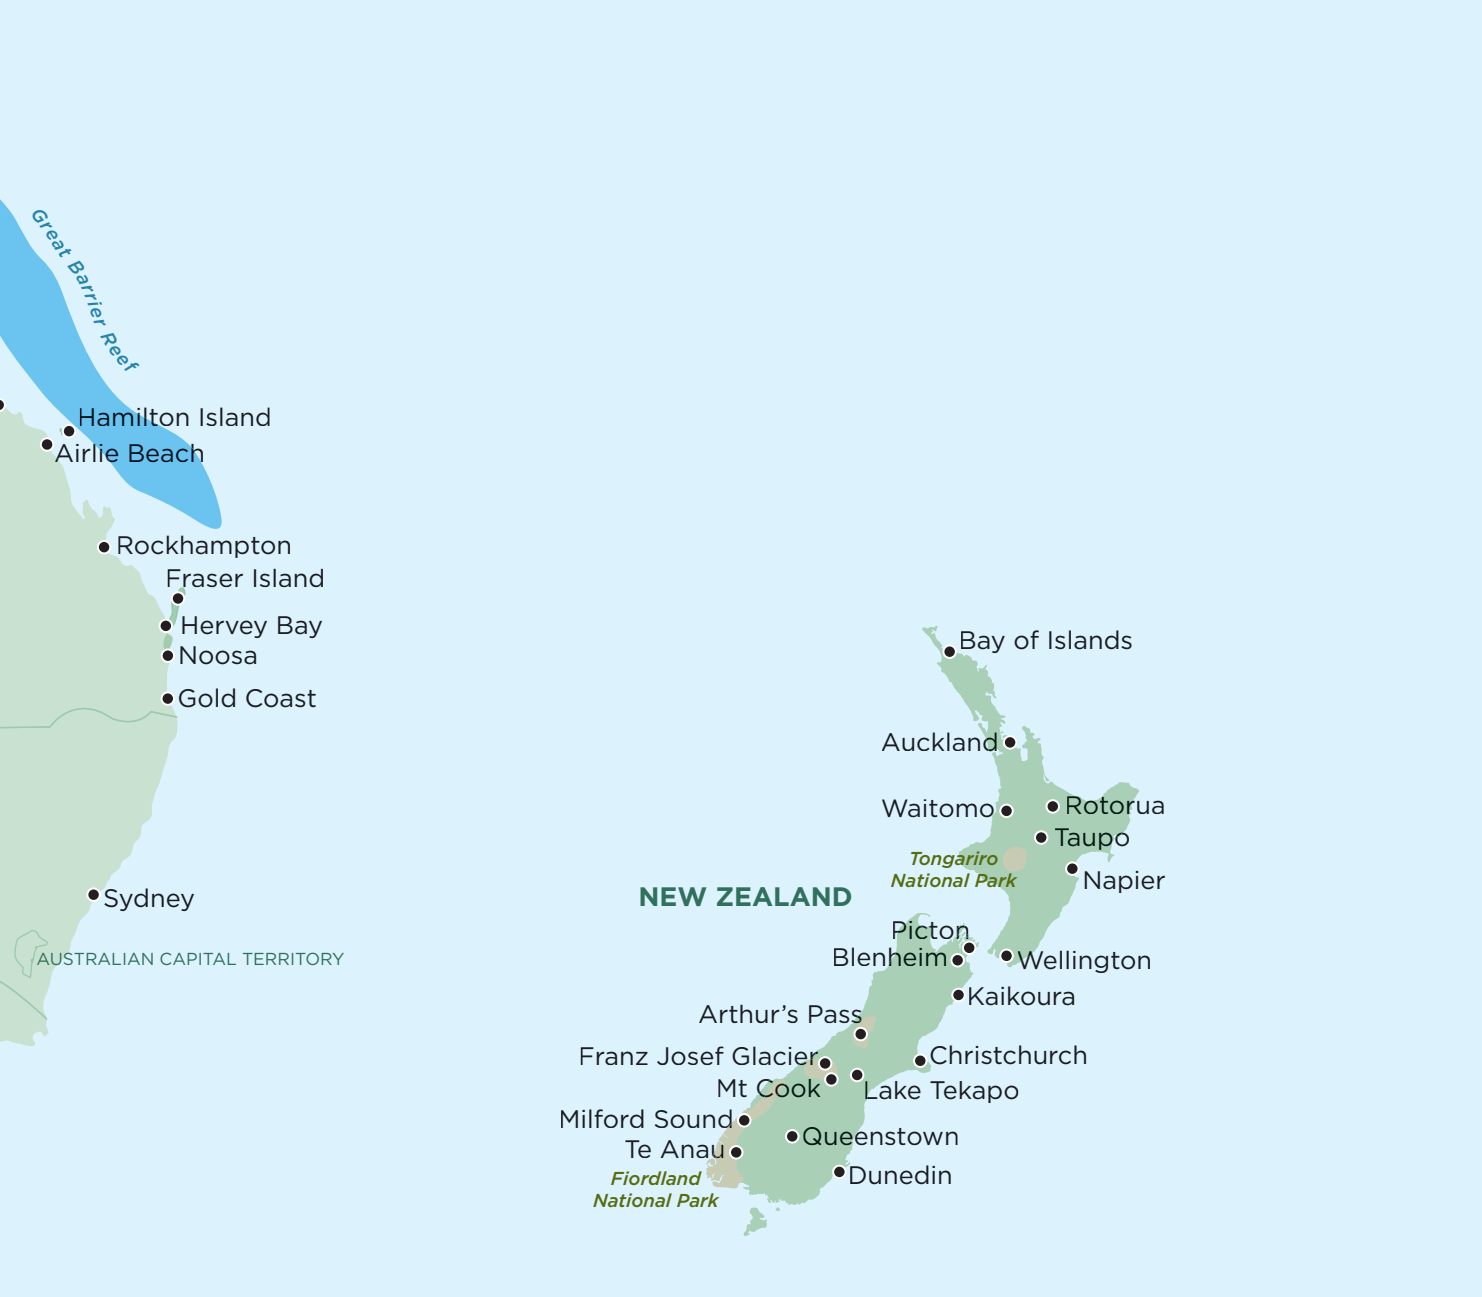

It is difficult to imagine a more whole-hearted or sensational tribute to the wild beauty of Mother Nature than these two destinations: New Zealand

& Australia. Young nations with ancient backyards, every day is an adventure in the lands down under. Lofty mountainscapes combine with heavenly fiords, verdant pastures and dazzling bays to make up what we know as the Land of the Long White Cloud. Then across the sea, there is perplexing wildlife, white-sand beaches, lush rainforests and the rugged red Outback – each playing its own role in Australia’s allure.

Even more impressive is that beyond these natural wonders there are cities built to inspire, Indigenous cultures entwined with contemporary life, delicious home-grown produce and, perhaps above all, friendly locals who are always ready to say *kia ora* or *g'day*.

Similar though they are, these trans-Tasman neighbours provide an intriguing contrast for travellers – as you will discover when you journey to Australasia with APT.

UNFORGETTABLE

.....

YOUR JOURNEY WITH APT WILL BE AN EXPERIENCE YOU WILL NEVER FORGET

Special moments, colourful characters and rewarding encounters will forever form part of your personal story.

The pace of an APT tour allows you time to be enchanted by the landscapes and immersed in the complex fabric of New Zealand & Australia's history and culture.

It could be the first commanding performance of the Haka war cry that leaves an indelible impression.

Perhaps it is a burning sunrise over Uluru and exploring the base of this monolith that will linger in your imagination, or stepping aboard New Zealand's greatest alpine rail journey.

One thing is certain: the memories you forge with APT will stay with you forever.

From humble beginnings to creating unforgettable global journeys

When the trams stopped, opportunity knocked

In the 1920s, when tram drivers in Melbourne went on strike, a 24-year-old mechanic named Bill McGeary saw an opportunity. He converted his truck into a makeshift bus and began ferrying commuters from the tram-starved suburb of Northcote to the tram and train terminus at Clifton Hill. In 1927, some 90 years ago, Bill decided the time was right to buy his first real bus.

From these humble beginnings the business grew, and Bill looked beyond commuter bus routes towards charter services, becoming McGeary's Parlor Coaches. Recognising Australia's increasing enthusiasm for domestic tourism, Bill's son Geoff became involved in pioneering camping holidays to Central Australia and Queensland. By the time the 1980s rolled around Geoff had branched out, touring overseas. Come 2005 it was time for APT to embark on new adventures as Geoff saw an opportunity for a new style of travel - river cruising in Europe.

Geoff and the APT team are continually looking to the future. The team's spirit of innovation and their love of travel are set to steer the company in exciting new directions in the future. 2017 marked 90 years since Bill McGeary purchased his first bus. It's been an unforgettable journey so far - and we look forward to many more years of exciting adventures with you.

1920s | It all started with a truck converted to carry passengers during a tram strike

1961 | After a name change to Australian Pacific Coaches, the business grew, expanding to touring Australia's Red Centre in the 1960s

1993 | The imaginative launch of a new coach - sporting seatbelts. They were the safest of their kind at the time

1940s

As McGeary's Parlor Coaches expanded in the 1940s Bill would park his fleet of buses on the front lawn of his family home in Melbourne

1970s

With the musical Hair banned in Melbourne, Australian Pacific Coaches jumped at the opportunity to take theatre goers to Sydney for the show

2006

An unforgettable moment for APT came in 2006 when it launched its first European River Cruise ship

WILDERNESS ADVENTURES

As an isolated frontier, travelling into Australia's Kimberley region requires specialist local knowledge and expertise. No other operator can offer the experience, network of lodges or access that we do – so you can discover the real Kimberley, rather than merely brushing the surface.

APT ran its first tour into this vast and remote region more than 40 years ago. In those days, accommodation did not exist. Since then, APT has built unique partnerships with local Indigenous communities and created an unmatched network of exclusive Wilderness Lodges in stunning locations. Our commitment to quality and innovation continues as we offer expertly crafted itineraries featuring all the spectacular sights and hidden secrets that we have been discovering ever since. See pages 88-95 for further details.

ENRICHING SIGHTSEEING

All of our tours include a wealth of sightseeing inclusions as standard.

.....

INCLUDED SIGHTSEEING

In crafting our itineraries, we make sure you get right to the heart of each region and experience destinations almost as if you were a local.

Every tour includes an extensive collection of sightseeing to ensure that you enjoy a true taste of every location. The following are just a few examples of what you may experience on your unforgettable journey.

On New Zealand's North Island, wander through the fragrant Waipoua Kauri Forest Reserve to view the largest and most celebrated kauri tree known to stand today, Tane Mahuta (Lord of the Forest). Down south, stand in awe of the ice blue waters of Lake Tekapo and contemplate the unusual spherical Moeraki Boulders scattered along Koekohe Beach.

Give in to the relaxed rhythm of life on Fraser Island during a half-day tour. As you travel along sandy trails through rainforest and eucalyptus woods, past pristine fresh-water lakes and immense sand dunes, you will realise why this Australian sand island was awarded World Heritage status.

Travellers speak about a refreshing sense of freedom when exploring the Kimberley, as the sweeping bushland and rugged gorges reveal the raw power of nature. Heading off the beaten track, search for native wildlife, plunge into secluded gorges and wander through the hidden chasms of the Bungle Bungle Range.

LOCAL GUIDES, REAL INSIGHT

Taking you on a private journey through their own home towns, our friendly guides reveal insights that only a local could offer. Through them, each place, its history, its people and their culture will truly come to life before you.

YOUR LEISURE TIME, YOUR WAY

While our holidays are designed to cater to your individual needs and preferences, it is always nice to enjoy a moment to yourself. This is why we offer some free time for you to relax and explore independently. Your Tour Director will be on hand to provide some fantastic suggestions should you need inspiration.

☆ INSIDER EXPERIENCE

(B) Breakfast (D) Dinner

Day 1. Arrive Auckland.

Upon arrival in Auckland, you will be met and transferred to your hotel.

Stay: Rydges Auckland Hotel.

Day 2. Auckland, Bay of Islands.

After breakfast this morning, travel north to the Waipoua Kauri Forest Reserve – one of New Zealand's most famous kauri forests. Here, you will take a short walk to the base of a giant kauri tree, called Tane Mahuta or 'Lord of the Forest', the largest and most celebrated kauri tree known to stand today. Unique to New Zealand, local Maori people considered these giant trees to be the kings of New Zealand's forests, while European's used the wood to construct sturdy spars for their ships, resulting in a rapid decline of the native forests. Today, this forest is heavily protected and new saplings are continuously planted. Later, continue further north to the stunning Bay of Islands, an area that symbolises the birthplace of the nation as the site of the signing of the Treaty of Waitangi in 1840. After settling in to your hotel, enjoy a Welcome Dinner tonight.

Two Night Stay: Copthorne Hotel and Resort Bay of Islands, in a room with garden views.

Day 3. Bay of Islands.

The Bay of Islands is home to 144 islands providing a beautiful aquatic playground off the north coast of the North Island. Today, after breakfast, you will enjoy a full day at leisure to explore the idyllic subtropical surrounds, said to have some of the bluest skies in the world. You might

like to spend some of the day relaxing on one of the pristine beaches or exploring the lush wilderness areas via one of the many walking tracks. In the main town of Paihia, weatherboard shops line the peaceful waterfront promenade and a smattering of white boats bob up and down on the harbour. Known as the 'Jewel of the Bay of Islands', this is the gateway to the region's beaches and islets, and the perfect base from which to explore. B

Day 4. Bay of Islands, Auckland.

☆ **Explore New Zealand's finest maritime park on a cruise to Cape Brett.** This captivating coastline provides sheltered waters for dolphins, whales, seals, penguins and other marine life, so keep a look out while enjoying the remarkable scenery. Onwards lies pristine Motukokako Island, home of the fabled Hole in the Rock. The area is not only spectacular but also a place of significant cultural importance, entwined with early Maori history. When the tide is right, boats can sail right through the narrow 18-metre-high hole, just as local warriors would once do before heading into battle. Afterwards, return to Auckland by coach and enjoy dinner.

Stay: Rydges Auckland Hotel. BD

Day 5. Auckland, Waitomo, Rotorua.

☆ Travel to Waitomo, home to the famous glow worm caves where thousands of tiny luminescent creatures radiate an unmistakable glow. **Discover the magical natural spectacle of Waitomo Caves with a local guide** before continuing to the geothermal capital of New Zealand, Rotorua. At Te Puia – New Zealand's premier cultural centre – enjoy a guided tour of the Maori Arts & Crafts Institute, during which you will see the incredible Whakarewarewa Thermal Valley and witness geysers erupt and mud

BD

pools bubble. Later, enjoy a Maori Hangi Feast with performances of song and dance. Delight in the opportunity to dine and interact with locals who will enchant you with their customs and cheerful hospitality. **Two Night Stay:** Rydges Rotorua. BD

Day 6. Rotorua.
Rotorua captures the essence of New Zealand with its geothermal geysers, fascinating Maori culture and rich heritage. The city is positioned on the Pacific Rim of Fire, and is therefore one of the world's most active geothermal areas. Your sightseeing continues with a visit to one of New Zealand's best-loved attractions, the Agrodome, with its entertaining sheep shearing demonstration, dog trials and animal nursery. Later, perhaps enjoy an optional helicopter flight for views over the active White Island volcano (own expense). B

Day 7. Rotorua, Taupo, Wellington.
Departing Rotorua, travel along the Thermal Explorer Highway through a region abundant with geothermal activity, crystal-clear lakes, natural spas and rich Maori culture. Stop on the shores of Lake Taupo – the largest freshwater lake in Australasia – and marvel at thundering Huka Falls with its striking blue water. Continue south across the vast volcanic plateau of World Heritage-listed Tongariro National Park and on to Wellington for an overnight stay. **Stay:** Travelodge Wellington. B

Day 8. Depart Wellington.
Your journey comes to an end today as you are transferred to the airport. B

AUSTRALIA'S KIMBERLEY REGION

Take a deep breath and let your senses run wild in the Kimberley, sprawling from fiery expanses to tumbling waterfalls and emerald gorges.

When APT first began escorting travellers to the remote Kimberley more than 40 years ago, there was no permanent accommodation – so we created them, with respect for local communities and the environment. No one is better equipped to take you here, which is why more people choose APT than any other escorted tour operator in the Kimberley.

A big part of what makes travelling to the Kimberley so much fun is the opportunity to experience an ancient culture, which is one of the oldest in the world. You will also find landscapes at their most diverse. Explore spectacular gorges, plunge into clear waterholes and treasure natural wonders like Cathedral Gorge and the Bungle Bungle Range within Purnululu National Park.

Bring your sense of adventure and tolerance of Outback conditions to ensure you get the most out of your journey. A good level of fitness is essential for you to undertake walks in sometimes hot conditions, and over rugged terrain with uneven and possibly slippery surfaces. Sturdy walking shoes are an absolute must on all adventures. You will travel along rugged tracks in our custom 4WD vehicles with no more than 19 other guests, led by a passionate Driver-Guide. Along the way, you will stay at APT's exclusive wilderness lodges, offering a touch of luxury in the heart of the remote bush. There is really no other holiday like it.

AUSTRAVEL Terms and Conditions

Please read these booking conditions, and the additional information on our website carefully, they form an important part of the contract for your holiday.

All holidays are advertised in our brochures and on our website are operated by Travelwood Limited trading as Austravel, registered number 1934932 (hereinafter called "the Company", "we", "us" or "our"), a member of the Travelodge Group of Companies, of Origin One, 108 High Street, Crawley, West Sussex RH10 1BD, and are sold subject to the following conditions:

Insurance:

Please Note: Adequate and valid travel insurance is compulsory for all our travellers and it is a condition of accepting your booking that you agree you will have obtained adequate and valid travel insurance. We recommend you take out insurance as soon as your booking is confirmed.

1. Your Financial Protection

The Package Travel, Package Holidays and Package Tours Regulations 1992 require us to provide security for the monies that you pay for the package holidays booked with us and for your repatriation in the event of our insolvency.

We will provide you with financial protection for any ATOL protected flight or flight inclusive holiday that you buy from us by way of our Air Travel Organiser's Licence number 3355, administered by the Civil Aviation Authority ("CAA"). When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claim which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

The price of your holiday includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. When you buy an ATOL protected flight or flight inclusive holiday, all money accepted from you by a travel agent acting as our agent is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

When you buy arrangements other than an ATOL protected flight or flight inclusive holiday, all money accepted from you by a travel agent acting as our agent is held by that agent on our behalf at all times. We will provide you with financial protection for any package holidays you buy from us that do not include travel by air by way of a bond held by ABTA. For further information, visit the ABTA website at www.abta.co.uk.

If you book arrangements other than an ATOL protected flight or a package holiday, the financial protection referred to above does not apply. We are a Member of ABTA, membership number W0656. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct.

2. How to Book

To make a booking you can contact us in several ways, directly over the telephone, via our website at www.austravel.com, through an approved Travel Agent or by email at traveldesigners@austravel.com. The person making the booking (the "lead name") must be 18 years old or over and possess the legal capacity and authority to make the booking and accept these booking conditions on behalf of everyone in their party. Whether you book alone or as a group, we will only deal with the lead name in all subsequent correspondence, including changes, amendments and cancellations. The lead name is responsible for ensuring the accuracy of the personal details or any other information supplied in respect of yourself and any other person travelling on the booking and for passing on any information regarding the booking or any changes made in relation thereto, to all persons travelling on such booking, including but not limited to information on schedule changes or copies of booking confirmations. You will need to pay a deposit at the time of booking in the amount notified to you at the time of booking.

You may also be required to pay for any non-transferable and non-refundable items such as special air fares, theatre tickets, attraction tickets or entry permits and any other applicable supplements due at the time of booking, for example, including without limitation "Accommodation Only", "Late Bookings" and "Weddings". Some airfares are booked at especially competitive rates to which airlines may attach severe restrictions. You may be asked to pay for these in full at the time of booking and they may be non-refundable in the event of cancellation. Details will be given at the time of booking. Please note that cheques require 5 working days to clear. Cheques that will not clear by the balance due date cannot be accepted. We only accept card payments from passengers travelling on the booking.

We will then invoice you for the remainder of the cost due before you travel, which you must pay not later than 69 days before departure for bookings made via an agent, or no later than 83 days before departure for bookings made directly with us. To pay your final balance, amend your booking or discuss any other aspect of your holiday booked directly with us, call our Customer Services team. When you book your holiday through an approved travel agent, all communication between you and us will be made through that agent, as such please contact your agent in the first instance, as no changes can be made to your booking unless they are done through your agent.

If you book less than 69 days before departure for bookings made via an agent, or less than 83 days before departure for bookings made directly with us, full payment (less any payment which must be paid locally) must be made on booking by credit or debit card. If you do not pay the balance by the due date your booking will be cancelled and you will forfeit your deposit plus any other relevant charges. If you do not pay the local payment on the due date your booking will be cancelled (and we shall have no further liability to you) and cancellation charges will be levied as appropriate.

If we accept your booking, we will issue a Booking Confirmation and Invoice. A contract will exist between us from the date we issue the Booking Confirmation and Invoice or if you book within 7 days of departure the contract will exist when we accept your deposit payment. When you receive the Booking Confirmation and Invoice and your Departure Documents please check the details carefully and inform us immediately if anything is incorrect. Names on travel documents must exactly match those in your passports. Unless we are responsible for the mistake, we will not accept liability if an airline or other supplier refuses boarding because the name(s) shown in your passport differ from those on your ticket. If there is an obvious error on the Confirmation Invoice, we reserve the right to correct it as soon as we become aware of it, but will do this within 7 days of issuing the Confirmation Invoice or, if your departure is within 7 days, no later than 24 hours before you go. If any of these changes are not acceptable then you will be entitled to a full refund. Travel documents will be sent or emailed to you (to the address given to us by the lead name at the time of booking) approximately 2 weeks before your departure, and will not be issued unless payment of the due balance has been received and any cheques have cleared. Bookings made 14 days or less before departure incur a £15 per person administration charge and tickets will not be sent out by post but will more than likely have to be collected at the airport on the day of departure. It is essential that you ascertain whether or not you can obtain relevant visas and inoculations before making your booking. We cannot accept any liability for tickets lost in the post. Departure Documents may be in paper or email form depending on your chosen holiday. If requested in the Departure Documents or locally provided holiday information, you must reconfirm the reservations, timings and check-in details of your flight with the airline concerned at least 72 hours before departure. This applies to your outward flight and to your return flight. If you miss a flight or suffer any disruption as a result of not following our instructions as to reconfirmation we will have no liability to you.

For those holidays where an additional local payment is required this will be confirmed to you. A local payment is a portion of the holiday cost which must be paid directly to the local representative as instructed. If the price of your holiday includes a local payment this must be paid in the currency specified. Please note that your tour price will not be considered to have been paid in full until the local payment has been made.

Tourist taxes, resort fees or similar that are charged locally may be implemented or changed without prior warning. We do not accept responsibility for these costs, which must be paid by you and are not included within your holiday price.

Your personal safety is of paramount importance to us and therefore it is imperative that you advise us at the time of booking of any condition, medical or otherwise, that might affect your or other people's enjoyment of the trip.

It is a condition of your booking that you and all members of your party provide certain information that may be sent to governmental authorities and border control and security agencies for the purpose of security and counterterrorism. This is known as Passenger Name Record(s) (PNR) or Advanced Passenger Information, sometimes known as APIS. For the United Kingdom, it may be referred to as 'E-Borders'. The information you must provide will include, but not be limited to, full name - as shown in your passport or travel document, gender, date of birth, travel document type, number, country of issue and expiry date, and for travel to the U.S., your country of residence and the address for your first night's stay.

You must provide this information to the airline between 6 months and 24 hours before departure. We may transfer your booking to another company within our group, but this will have no effect on your holiday arrangements.

3. Prices, Surcharging, and Air Passenger Duty

All guide prices we advertise are accurate at the date published, but we reserve the right to change any of those prices from time to time. Prices include a cost for fuel that was estimated at the date of this publication. Prices on our website are updated regularly. In the unlikely event of an administrative error leading to an incorrect price being displayed, we reserve the right to correct it. Offers are not combinable unless expressly stated and may be withdrawn at any time. All quotations are provisional until confirmed in writing on your Booking Confirmation and Invoice. Before you make a booking we will give you the up-to-date price of your chosen holiday including the cost of any supplements, upgrades or additional facilities which you have requested.

Changes in transportation costs, including without limitation the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 30 days of your departure. Any changes in taxes, entry fees and/or charges that we collect at net cost on behalf of local and government bodies will be passed on to you in full or refunded to you in full (Net Cost Charges). We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums. Net Cost Charges and any amendment charges. We will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you may either accept a replacement holiday from us of equivalent or similar standard and price (at the date of the change) if we are able to offer you one or you may cancel your holiday booking and receive a full refund, except for any amendment charges.

Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice. If any change in our costs would cause a reduction in your holiday price, we will not make refunds of amounts less than 2% of the price of your travel arrangements, which excludes insurance premiums, Net Cost Charges and any amendment charges, but we will refund in full amounts exceeding such 2%, after deducting an administration charge of £1.00 per person. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place. In all cases, we will only consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy.

Dates and itineraries shown for tours are indicative only and subject to change. Air Passenger Duty "APD", which is payable by all passengers departing from UK airports, is included in the price of your holiday/flight ticket. Children under 12 on the date of travel (under 16 from March 2016) are exempt from APD when travelling in economy class. The price of your holiday will include APD for an economy seat. If you upgrade to a premium cabin this will be included in the upgrade cost. In view of the current volatility of world oil prices, a fuel supplement may be added to the price of your holiday at the time of booking.

4. Insurance

Adequate and valid travel insurance for your chosen itinerary is compulsory for all travellers and it is a condition of accepting your booking that you agree you will have obtained adequate and valid travel insurance. We recommend you take out insurance as soon as your booking is confirmed. You are strongly advised to insure yourself against any possible risk that may occur and in particular to ensure that you have sufficient insurance in respect of dependent relatives and force majeure events. You are required to carry proof of insurance with you and produce it if reasonably requested by Company employees or suppliers.

You must ensure that there are no exclusion clauses which limit cover for the type of activities included, or the altitudes attained, in your holiday. Furthermore, you must advise us of the details of your own insurance including the name of the insurer and the policy number as soon as possible. Our representative abroad has the right to see the policy so that appropriate advice and assistance can be given. Clients in breach of this condition will be deemed to have indemnified the Company for any loss incurred by the Company as a result of such breach and such costs will be recoverable from them.

5. If You Change or Cancel Your Holiday

5.1 If, after our Booking Confirmation has been issued, you (i) make a change to your existing booking, we will charge an amendment fee of £35 per change (ii) or wish to change to another holiday or change departure date, we will try to make the changes subject to availability, provided that notification is received in writing at our offices from the lead name at least 69 days before departure for bookings made via an agent, or at least 83 days before departure for bookings made directly with us and you pay £35 per person to cover our administration costs.

5.2 In addition to the fee we charge, any alteration, whether a change to an existing booking or a change to another holiday or departure date, will also be subject to payment by you of any costs imposed by any of the suppliers providing the component parts of the booking. If the holiday to which you transfer is more expensive than the one you originally booked, a further deposit will also be payable. Any alteration by you within 69 days of departure for bookings made via an agent, or within 83 days of departure for bookings made directly with us will be treated as a cancellation of the original booking and will be subject to cancellation charges.

5.3 Subject to section 5.4, where you are unable to travel you can transfer your booking to another person, providing the following conditions are met:
a) you must notify us in writing at least 69 days before departure for bookings made via an agent, or at least 83 days before departure for bookings made directly with us and give us authority to make the transfer; and
b) your request is accompanied by all original travel documents which you have received and the full name and address of the person to whom you wish to transfer your holiday booking ("transferee") and
c) the transferee is acceptable to us, accepts the transfer and these Booking Conditions and fulfils any conditions that apply to the booking; and
d) payment is made by you of an administrative charge of a minimum of £35 per person plus payment of all costs charged or levied by those supplying your travel arrangements.

Both the transferor and transferee will be jointly and severally liable for payment of the holiday price and other associated expenses.
5.4 Some airline carriers and other transport providers treat name and departure date changes, such as date and time changes, as a cancellation. If you miss a portion of your flight journey, some airline carriers and other transport providers treat this as a cancellation and may cancel the rest of your flights. It is your responsibility to check with the relevant airline to ensure the subsequent journeys have not been cancelled, as if this does happen, you may be charged again for the missed flight and any subsequent journeys. Accordingly you may have to pay for the cancelled ticket and be required to pay for the full cost of a new ticket. Once airline tickets have been issued, all changes are likely to incur the cost of a new ticket.

5.5 When the price per person is dependent on the number of people in the accommodation and the number of people changes, the price will be recalculated based on the new party size. Any increase in price payable is not a cancellation charge. A separate cancellation charge will be levied in respect of bookings cancelled. A new confirmation invoice will be issued as appropriate on which the cancellation charge will be shown.

5.6 You, or any member of your party, may cancel your booking at any time providing that the cancellation is made by the lead name in writing. Notice of cancellation will be effective upon receipt by us of your written communication. As we start to incur costs from the time the contract is confirmed we will retain your deposit and in addition will apply other cancellation charges as shown below. These charges are based on how many days before your booked departure we received your cancellation notice. These charges are a percentage of the total cost of your booking, not including your insurance premium. If you want to cancel one or more passengers on the booking you will have to pay a proportion of the applicable cancellation charge based on the number of passengers you wish to cancel from the booking.

* Cancellation charge as a % of total holiday cost (excluding any insurance premiums and any amendment fees already paid to us)

In certain cases a 100% cancellation fee applies as soon as the booking is made and the ticket is issued. Please ask for full details of cancellation charges at time of booking. We strongly recommend you to take out insurance that includes cover against irrecoverable cancellations costs. Additionally, you will remain responsible for the full amount of your insurance premium and this will not be refunded in the event of your cancellation. You may however be able to transfer this cover to another holiday. If you are travelling on a scheduled flight, we cannot give you any refund until we have received your old travel documents, including tickets.

5.7 All communications relating to this contract (in particular any requests to cancel or amend your holiday arrangements) must be in writing in our local language in English and delivered by hand or email customer services@austravel.com. (Please call also to ensure you are heard) or sent by recorded delivery post to Travelwood Limited, The Atrium, London Road, Crawley, West Sussex, RH10 9SR.

6. If We Change or Cancel Your Holiday

We reserve the right to cancel your booking or change any of the facilities, services or prices described in our brochures or website. We will endeavour to advise you of any changes known at the time of booking. We plan the arrangements for your holiday many months in advance and may occasionally have to cancel your holiday or make changes, most of which are minor. Flight timings and carriers shown in the brochure are for guidance only and are subject to change. Your Booking Confirmation will show the latest planned timings. Your actual flight timings will be shown on your ticket (including any-ticket itinerary) which you should check carefully as soon as you receive it. A change of carrier or type of aircraft will not be considered a major change. If a major change becomes necessary, we will advise you of the change as soon as reasonably possible. Whether a change is 'major' depends on the nature of the holiday and may include a significant change of destination, a change in accommodation to that of a lower category, a change in time of your scheduled departure or return flight by more than 12 hours (but not a flight delay), or a change of UK departure airport (excluding changes between London airports, London, Ebbsfleet and Ashford stations and between Dover/Folkestone ports). A delay to your flight that we need to make within 24 hours before you are due to depart will not be considered a major change unless the change is for more than 24 hours. These changes are only examples and there may be other significant changes which constitute major changes. When a major change occurs, you will have the choice of either:

- accepting the change; or
- accepting a replacement holiday from us of equivalent or similar standard and price (at the date of the change), if we are able to offer you one; or
- cancelling your holiday, in which case you shall receive a full refund of all monies paid.

We may also have to cancel your travel arrangements. Operation of some holidays are dependent on a minimum number of persons booking the holiday. If that number is not achieved, we reserve the right to cancel the holiday. However we will not cancel your booking less than 2 weeks before the scheduled departure date except for reasons of force majeure (as defined below), or failure on your part to pay the deposit and/or final balance, or any other reason beyond our control. If we are forced to cancel your holiday after departure we will, wherever possible, make suitable alternative arrangements. If we are unable to make such alternative arrangements, or you reject these for good reason then we will return you to your point of departure and refund you for any unused services, if appropriate.

Where we make a major change to or cancel your holiday, except where a major change or cancellation arises from circumstances amounting to force majeure, consolidation due to minimum numbers not being attained, flight schedule changes, third party resort development, failure on your part to pay the deposit and/or final balance or for any other reason beyond our control, we will pay you, as a minimum, compensation as detailed below. Any compensation payable will be on these scales, based on how many days before your booked holiday departure we tell you of a major change:

Period before departure when we notify you of a major change	Compensation payable per person*
Before balance due date	Nil
Between balance due date and 29 days (inclusive) before departure	£10.00
Between 28 and 15 days (inclusive) before departure	£20.00
Between 14 and 8 days (inclusive) before departure	£30.00
7 days or less before departure	£40.00

This standard compensation payment will not affect your statutory or other legal rights. *We will only make one compensation payment for each full fare-paying adult in the holiday booking. Any children not paying the full adult fare will receive compensation on a pro rata basis of the adult fare. Children using a free child place will not receive any standard compensation payment.

We strongly recommend that you make no travel arrangements to your point of departure, make any connecting travel that is non-refundable or non-changeable or incurs penalties or incur any costs in respect of visas or vaccinations until such time as your travel itinerary has been confirmed on your Departure Documents. If you make such arrangements, which you are then unable to use due to a change in your itinerary, we shall not be liable to you for the cost of those arrangements.

Circumstances amounting to "force majeure" include any event which we or the supplier of the service(s) in question could not even with all due care, foresight or foresal such as (by way of example and not by way of limitation) war, threat of war, riots, civil disturbances, industrial disputes, actual or threatened terrorist activity and its consequences, natural or nuclear disasters, fire, acts of God, unavoidable and unforeseeable technical problems with transport for reasons beyond our control or that of our suppliers, closed or congested airports or ports, hurricanes and other actual or potential adverse weather conditions, flood, epidemics, health risks or pandemics illness and any other similar events.

In the unlikely event that there are any changes made to other holidays or arrangements, we will try to tell you before you go, although we are not obliged to do so, nor are we obliged to compensate you, if your booking for that holiday arrangement are cancelled we will do our utmost to ensure you receive a full and prompt refund of the price of these arrangements.

Tour, Safari and Excursions: Some are dependent on minimum numbers, others will operate with one booking. In the case of insufficient demand we reserve the right to consolidate or cancel. If this is required you will be offered a full refund. We will not make any such changes within 69 days (for agent bookings) and 83 days (for direct bookings) of departure. We reserve the right to make changes such as dates, itineraries (those shown are indicative only, are subject to change and may be affected by local conditions), accommodation, cruise ship, boat. Changes that of a similar standard will not be considered a major change. Should there be a discrepancy between the itinerary or additional information in the brochure or website and the Departure Documents, the latter information will be considered the most up-to-date and accurate.

7. Our Liability, Conditions of Carriage and Limitations

Our obligations, and those of our suppliers providing any service or facility included in your holiday, are to take reasonable skill and care for the provision of such services and facilities. You must show that reasonable skill and care has not been used if you wish to make a claim. Standards of, for example, safety, hygiene and quality vary throughout the transport and destinations that your holiday may involve. Sometimes these standards will be lower than those which would be expected in the UK. The suppliers of the services and facilities included in your holiday should comply with local standards where they are provided.

Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of 3 times the cost of your travel arrangements. Our liability in all cases shall be limited in accordance with and/or in an identical manner to the contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and any relevant international convention as detailed below. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Travelwood Limited, Legal Department, Origin One, 108 High Street, Crawley, West Sussex RH10 1BD.

We shall have no liability where the cause of the failure to provide, or failure in, your holiday or any death or personal injury you suffer is not due to any fault on our part or that of our agents or suppliers, because it is either attributable to you, or attributable to someone unconnected with your holiday and is unforeseeable or unavoidable, or is attributable to our employees, agents, subcontractors and suppliers and their staff whilst acting outside the scope of their employment, or is due to information, however obtained, from outside sources such as independent third party websites, or is due to unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which neither we, nor our agents or suppliers could have foreseen or forestalled, or related to any consequential loss not directly connected to the contract with us.

If any international convention applies to, or governs, any of the services or facilities included in your holiday arranged or provided by us, or provided by any of our suppliers, and you make a claim against us of any nature arising out of death, injury, loss or damage suffered during or as a result of the provision of those services or facilities, our liability to you by compensation and/or the amount (if any) of compensation payable to you by us will be limited in accordance with and/or in an identical manner to that provided for by the international convention concerned (in each case including in respect of the conditions of liability, the time for bringing any claim and the type and amount of any damages that can be awarded). International Conventions which may apply include, without limitation: in respect of international air travel, the Warsaw Convention 1929 (as amended) or the Montreal Convention 1999; in respect of rail travel, the Berne Convention 1966 in respect of carriage by sea, the Athens Convention 1974 in respect of carriage by road, the Geneva Convention 1975, and, in respect of hotels, the Paris Convention 1962. For the avoidance of doubt, this means that we are to be regarded as having all benefit of any limitations of compensation contained in any of these Conventions or any other international conventions applicable to your holiday. Other than as set out above, and as is detailed elsewhere in these booking conditions, we shall have no legal liability whatsoever to you for any loss or damage.

Under EU law, European Community Regulation (EC) No 261/2004, you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be published at EU airports and will also be available from airlines. However, you should note that reimbursement of the cost of a flight that forms part of your holiday is the responsibility of your holiday airline and will not automatically entitle you to reimbursement of the cost of your travel arrangement from us. Your right to a refund and/or compensation from us is set out in these Booking Conditions. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount. If your airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel on 020 7240 6061 or at www.caa.co.uk.

If you purchase any optional activities that are not part of your pre-booked itinerary, the decision for the provision of that activity will be between you and the activity provider. The contract to partake in

any such activity is entirely at your own discretion and risk. If you do have any complaint about, or problem with, any optional activity purchased in resort your claim should be directed to the activity provider and not to us. However, should you or any member of your party by misadventure suffer illness, injury or death during the period of your holiday from an activity which does not form part of the arrangements made by us or an excursion purchased through us, we shall, where appropriate and subject to our absolute discretion, try to help if we can. We may help everyone on your booking up to a total cost of £5,000, as long as the following conditions are met:

- (i) You must ask us for such assistance within 90 days of the misadventure;
- (ii) You must make a claim under your insurance policy's legal expenses or other appropriate section. You must show us proof that your insurance company has received your claim; and
- (iii) in the event of there being a successful claim for costs against a third party or a suitable insurance policy or policies being in force, you must repay us the costs actually incurred by us in giving this assistance.

We may operate holidays in regions where standards of accommodation, transport, safety, hygiene, medical facilities and other infrastructure may, at times, be lower than those you normally expect. The outline itineraries given for each holiday must be taken as an indication of what should be accomplished, and not as a contractual obligation on our part. Changes in itinerary may be caused by local political conditions, flight cancellations, mechanical breakdown, weather, border restrictions, sickness, or other unforeseeable circumstances. Pro rata refunds will be given for services not utilised wherever possible. Please note that the timings of air, sea, road or rail departures are estimates only. These timings may be affected by operational difficulties, weather conditions or failure of passengers to check in on time. Orient Express Bookings making any bookings for any rail travel (including but not limited to travel by the Orient Express) when your contract also incorporates the train owner / carriers (collectively, the "Carrier") terms and conditions (the "Passenger Conditions of carriage") which shall govern the relationship, responsibilities and liabilities as between you, the passenger, and the Carrier. A copy of the Passenger Conditions of Carriage can be provided on request. By making your booking and accepting these terms you also agree to these Passenger Conditions of Carriage and accept the conditions therein, you agree that any dispute or claim that you raise with us will be subject to this Agreement and not the Passenger Conditions of Carriage and to the extent there is a conflict between this Agreement and the provisions of the Passenger Conditions of Carriage as they relate to you and us, this Agreement shall prevail and supersede the provisions of the Passenger Conditions of Carriage.

8. Air Carrier Liability for Passengers and their Baggage

Flight notice, flight information and EU blacklist. This is a notice required by European Community Regulation (EC) No. 889/2002. This notice cannot be used as a basis for a claim for compensation, nor to interpret the provisions of European Community legislation or the Montreal Convention, and it does not form part of the contract between the air carrier(s), us and you. No representation is made by the air carrier(s) or us as to the accuracy of the contents of this notice.

This information notice summarises the liability rules applied by European Community air carriers as required by European Community legislation and the Montreal Convention.

Compensation in the case of death or injury. There are no financial limits to the liability for passenger injury or death. For damages up to approximately 175,000 Special Drawing Rights ("SDRs") the air carrier cannot contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it is not negligent or otherwise at fault.

Advance payments. If a passenger is killed or injured, the air carrier must make an advanced payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs. Passenger delays. In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,694 SDRs.

Baggage delays. In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,131 SDRs.

Destruction, loss or damage to baggage. The air carrier is liable for destruction, loss or damage to baggage up to 1,131 SDRs. In the case of checked baggage, it is liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher limits for baggage. A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints on baggage. If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within seven days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability of contracting and actual carriers. If the air carrier actually performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time limit for action. Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis for the information. The facts for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the European Community by European Community Regulation (EC) No. 2027/97 (as amended by European Community Regulation (EC) No. 889/2002) and national legislation of the Member States.

In accordance with European Community Regulation (EC) No. 2111/2005, Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers that are subject to an operating ban within the European Community. The Community list is available for inspection at www.air-ban.europa.eu.

In accordance with European Community Regulation (EC) No. 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer if your booking includes flight(s). We do this by listing carriers to be used or likely to be used on the flights information section of our FAQs at www.austravel.com.

The airlines may use wide and narrow-body jets. Any changes to the actual airline after you have received your ticket will be notified to you as soon as possible and in all cases at check-in or at the boarding gate. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard. Some flights may need to stop en route. If we know about this in advance we will tell you. Flight times shown in the brochure, on the website and on your booking confirmation are not guaranteed. Actual flight times are shown on your tickets. Flight times are local times based on the 24-hr system.

Please check with the airline regarding luggage allowance limits and the maximum allowable single item baggage weight. If you have a medical condition, serious illness, recently undergone surgery, or have suffered recent accident, you must advise us of your airline and you may need to be cleared for travel by the airline which will involve obtaining a Fitness to Fly Certificate from your GP.

9. Complaints

If you have a complaint about your holiday whilst away, you must immediately notify our Service Representative and the relevant supplier of the service and contact us in the UK if further action is required by us. If you are not happy with the action taken in response please follow this within 35 days of your return from holiday by writing to our Customer Relations Department at Travelmod.Limited@Austral.com, Atrium, London Road, Crawley, West Sussex, RH10 9SR or emailing us at customerrelations@austravel.com, giving your booking reference and all relevant information. We will acknowledge your written notification within 7 days and aim to provide a full response within 28 days. We can also offer you ABTA's scheme for the resolution of disputes, which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved. If you prefer, you can take your complaint to the County Court or another suitable court. Information regarding complaints may be shared with other tour operators.

10. Behaviour

n tours, safaris and excursions provided by us, it is necessary that you abide by the authority of the leader, who represents the Company. If you commit any illegal act when on the holiday or if in our reasonable opinion or the reasonable opinion of the Company representative or another person in authority your behaviour is disruptive, threatening or abusive, causes unnecessary inconvenience or is causing or likely to cause danger, damage, distress or upset, disturbance or annoyance to others or others' property, or puts any other traveller or our staff or agents in the UK or in resort in any risk or danger, on the telephone, in writing or in person, we may terminate your travel arrangements without any liability on our part. If the Captain of your flight or ferry or any of our overseas staff or agents believes that you could be disruptive or that you are suffering from a contagious disease, we can also refuse to let you proceed with your travel arrangements, restrict your movements on board, disembark from the ferry or aircraft, or remove you from your accommodation or excursion. If this means you are not allowed to board the flight outbound from the UK, we will treat your booking as cancelled by you from that moment, and you will have to pay full cancellation charges. If this occurs overseas then you will be responsible for your own return home and any other members of your group who cannot or will not travel without you. In any of these circumstances no refunds or compensation will be paid to you and we will not be liable for any costs or expenses you incur. If you are refused carriage because of your behaviour, or you are under the influence of alcohol or drugs, your airline may pass on your details and date of refusal of carriage to other airlines for their

information. This in turn may make it difficult for you to book other airline tickets. In any of these circumstances no refunds or compensation will be paid to you and we may make a claim against you for any damages, costs and expenses (including legal expenses) incurred as a result of your behaviour including but not limited to (i) repairing or replacing property lost, damaged or destroyed by you, (ii) compensating any passenger, crew, staff or agent affected by your actions and (iii) the cost of diverting the aircraft or ferry to remove you. Criminal proceedings may also be instituted. If you are affected by any condition, medical or otherwise, that might affect your or other people's enjoyment of the holiday, you must advise us of this at the time of booking.

The accommodation we arrange for you must only be used by those people named on your Booking Confirmation or Departure Documents. You are not allowed to share the accommodation or let anyone else stay there. You are responsible for the cost of any damage caused to your accommodation or its contents during your stay. These charges must be met by you and may have to be paid locally. We expressly reserve the right to prevent you from participating in the excursions we provide, whether pre-booked or purchased in resort, if in the reasonable opinion of our staff or those of the excursion provider, you are either unwell to undertake the excursion, or if you appear to be under the influence of drugs or alcohol. In these circumstances your sole remedy against us will be to obtain a refund of the cost of that excursion.

For the purpose of this section, the reference to "you" or "your" includes any person in your party.

11. Visa, Health, Passport, Travel Documentation

It is essential that you ascertain whether or not you can obtain relevant visas and inoculations before making your booking, particularly for late bookings. Whilst we are able to provide basic advice to clients regarding passports and visa requirements, you should check with the appropriate embassy, consulate or the British Foreign Office for the exact requirements for your chosen holiday and date of travel. It is your responsibility to ensure that you have the correct passport and visas to gain access to any country/region included in the travel arrangements which you purchase from us. If you fail to do so, we have no liability to you for any cost, loss or damage which you suffer, nor will we refund you the cost of any unused portion of your travel arrangements. In some cases, countries will refuse entry to clients who have criminal records. Should you be concerned about this, please check with the embassy or consulate of the countries to which you are travelling. The lead name is entirely responsible for ensuring that all members of the group have the correct and valid documentation for travel. We cannot accept responsibility for any failure to comply resulting in any costs or fines being incurred and you have to check with your passport office or the consulate in question if you have any queries. Clients travelling overland to certain destinations may need to also pass through controls of other countries en-route so this should be allowed for with any passport/visa applications. When travelling to the US you must have the correct passport to travel on the Visa Waiver Programme or have obtained the correct visa, valid for your stay. Each person wishing to visit the US must have either: i) an e-passport (if your passport is issued after 26 October 2006), or a machine readable passport (containing a digital photograph) if your passport is issued after the 26 October 2005 and a Visa Waiver Form or ii) a valid passport and a valid visa which must be obtained before travel from the US authorities. The US authorities require passengers travelling under the Visa Waiver Programme to register for electronic travel authority on the Electronic System for Travel Authorisation (ESTA). If you have not applied for and received travel authorisation via ESTA prior to travel you may be denied boarding, experience delayed processing or be denied admission at the U.S. port of entry. However, neither possession of a visa nor meeting the basic requirements for travelling visa-free on the Visa Waiver Programme guarantees admission to the US. As with most countries, the final decision is made by immigration officials at the point of entry. You can apply online by completing the application form at <https://esta.dhs.gov> and paying a fee. If you are refused boarding or denied admission at the U.S. port of entry, you will still be subject to our cancellation charges in accordance with the terms of our contract with you. For additional specifics about the Visa Waiver Programme please consult the Visa Waiver Programme information on the U.S. Embassy, London website www.usembassy.org.uk. We recommend that you carry your ESTA approval with you when you travel and recommend you register at least 72 hours before departure. Please Note: when you register for ESTA you must have a valid passport at the time of registration and, for any travel to the USA, your passport must be an e-Passport that contains the microchip and the e-passport symbol. If you have applied for a post dated passport (for example to reflect a change in name) this passport will not be valid until the effective date noted in the passport. Children and minors wanting to travel with a Visa Waiver Form must hold their own machine readable passport or e-passport. Please note that the nationals of some countries can only travel to the US if they have a valid visa as they are not eligible for the Visa Waiver Program. There is a \$14 fee per person per change which is payable by credit or debit card when applying as announced by the US Customs and Border Protection, this fee will recover the costs incurred by the U.S. Customs and Border Department of providing and administering the ESTA system and in addition to the mandatory \$10 travel promotion fee established by the Travel Promotion Act of 2009. This is subject to change.

When travelling to Canada you must check with your foreign office and the Canadian authorities that you have the correct passport and comply with the visa requirements. Under Canada's eTA program, citizens from countries other than the United States, who do not need a visa to enter Canada, will need to obtain an online authorisation before flying to Canada, unless otherwise exempted. The earlier travellers get their eTA, the sooner they will benefit from knowing they have been pre-screened to enter Canada. A fee of \$7 is payable for processing an application for an electronic travel authorisation. An application for an electronic travel authorisation must be made by means of an electronic system that is made available by the Department (Citizenship and Immigration Canada) for that purpose. An electronic travel authorisation is valid for a period of five years from the day on which it is issued to the applicant or until the earliest of the following days, if they occur before the end of that period: (a) the day on which the applicant's passport or other travel document expires, (b) the day on which the electronic travel authorisation is cancelled, or (c) the day on which an electronic travel authorisation is issued to the applicant.

Please note that for some trips we need to request special permits, and as such we will require your passport details prior to accepting your booking. Furthermore, if you renew your passport after you have booked, you may be required to take your old passport with you to maintain the validity of the permit. We are able to advise on mandatory health requirements; however, we are not medical experts. It is your responsibility to ensure that you obtain proper and detailed medical advice at least two months prior to travel for the latest health requirements, recommendations for your destination and any costs. You should check this information at least 2 months before departure and again within 14 days of travel. Where you do not do so and either are not allowed to enter any country, or suffer personal injury or death as a result, we have no liability to you for any cost, loss or damage which you suffer nor will we refund you the cost of any unused portion of your travel arrangements. Clients with existing medical problems, pregnant women and anyone who has recently visited other countries should check requirements with their general practitioner.

When assessing whether holidays will operate we use information from our local offices in conjunction with advice from the British Foreign Office and other relevant government bodies. It is your responsibility to acquaint yourself with the travel advice provided by these government bodies.
